TWENTY-NINTH PUBLIC SALE OF

RARE COINS

To Be Sold By Mail Auction
to the Highest Bidder Without Reserve
Thursday, June 23, 1927, by
M. H. BOLENDER
P. O. Box 34
Orangeville, Illinois

To Collectors:—I shall continue my monthly sales of coins during the summer and one will be held each month. There are many collectors who are just as active at this avocation of hunting for rarities in the summer as at any other time, and some are more so. Numismatic service is my watchword, and I for one, do not intend to hibernate during the summer or become fossilized.

An 1875 $3 gold (only 20 coined) is offered in this sale, 1799 cent, a 1793 Crosby 6-F, 1652 Pine Tree shilling, fine old U. S. silver dollars, and many other desirable items too numerous to mention. The sale is particularly rich in Commemorative coins, the collecting of which, has become so popular.

Please forward your bids promptly as there is little time left before the sale. First bids received also have preference in case of a tie.

After you read the following terms you will discover four good reasons why you ought to make your bids liberal.

My classifications and descriptions are based on knowledge gained through 15 years of earnest dealing in coins. I have endeavored to refrain from over-rating the quality of a lot, which is so common. I believe that the word "RARE" should not be over-worked.

Please remember my strong guarantee. If goods are not satisfactory (you are to be the judge), you are at liberty to return them without any danger of offending.

No commission charged for faithfully executing your bids.

New bidders should send references or a deposit of at least 25 per cent of bids.

Coins will be bought as much below your bids as possible as this is competitive bidding carried out in good faith.

If you do not know how much to bid on any item, write me and I shall be glad to inform you as to its value.

Receipted bills are not sent out after your remittance as this is unnecessary. Your check, draft, or money order itself is a receipt and we ask you to pay only once. However, if a 2-cent stamp is enclosed we will send receipt.

Some new unsolicited testimonials recently received:

"These are the first coins I bought from you and I hope they won't be the last, for I am very much pleased."

"I am very much pleased with the condition of the Griqua Town coin and also at less than half of my bid."

"Thanks for getting No. 181 at about half of my bid."

"The coins I got from your sale are very satisfactory. I'm only sorry that I didn't let you get all those quarters for me."

"I like your fairness and straightforward methods."

"In my thirty years' experience you are the first dealer who acknowledged you had made a mistake and returned me postage on anything that I had sent back. You certainly live up to your guarantee."

"I wish to thank you for noticing my mistake in bidding and for investigating same."

"Sorry I didn't get more."

Let me sell your collection or duplicates in these sales. Quick returns and satisfactory results are realized. My sales are held regularly each month. Write for terms.

Please bid by the piece unless stated to bid for the lot.
